Verse 1:

```
Bm                          D           A
Say His Name within the darkest hour
Bm                        A             Em
And see His light illuminate our path
        Bm                                D           A
The road is narrow but our gaze is set

On the love of Christ 'til the very end
```

Verse 2

```
We walk in the truth that overcame our sin
Leaving our past and how we once had lived
Giving our lives to see
Your Name made known
'Cause the love of Christ
Is what the world needs most
```

```
     Bm
So Lord
A                      Em                      Bm
Lead us in the ways of Your love
     A                     Em                     Bm
To lead a broken world to Your cross
A                       Em                  Bm
Lead us in the ways of Your love
```
