[Intro]

[Intro]
Em
I'm the strong one, I'm not nervous
D                     C
 I'm as tough as the crust of the earth is
Em
I move mountains

I move churches
D                     C                       B
 And I glow 'cause I know what my worth is

Em
I don't ask how hard the work is
D                   C
 Got a rough, indestructible surface
B
Diamonds and platinum, I find 'em, I flatten 'em
  B
I take what I'm handed, I break what's demanded, but

[Verse 1]
Em
Under the surface
                     D                       C
I feel berserk as a tightrope walker in a three-ring circus
Em
Under the surface
              D                       C
Was Hercules ever like “Yo, I don't wanna fight Cerberus?”
Em
Under the surface
                     D                             C
I'm pretty sur? I'm worthless if I can't be of servic?
B
A flaw or a crack
B

The straw in the stack
B
That breaks the camel's back
B
What breaks the camel's back?

[Chorus 1]
Em C D
It's pressure like a drip, drip, drip, that'll never stop, whoa
Em G D
Pressure that'll tip, tip, tip till you just go pop, whoa-uh-uh
Em
Give it to your sister, your sister's older
C
Give her all the heavy things we can't shoulder
G B
Who am I if I can't run with the ball?

If I fall to
Em C D
Pressure like a grip, grip, grip, and it won't let go, whoa
Em G D
Pressure like a tick, tick, tick till it's ready to blow, whoa-uh-uh
Em
Give it to your sister, your sister's stronger
C
See if she can hang on a little longer
G B
Who am I if I can't carry it all?

If I falter

[Verse 2]
Em
Under the surface
D C
I hide my nerves and it worsens, I worry somethin' is gonna hurt us
Em
Under the surface
D C
The ship doesn't swerve as it heard how big the iceberg is
Em
Under the surface
D
I think about my purpose
C

Can I somehow preserve this?
B
Line up the dominoes
B
A light wind blows
B
You try to stop it tumbling
B
But on and on it goes, but

[Bridge]
G Bm Bdim
Wait, if I could shake the crushing weight
C Cm6 G
Of expectations would that free some room up for joy?
Bm Bdim
Or relaxation? Or simple pleasure?
C Cm6 Em
Instead we measure this growing pressure
Bm Am
Keeps growing, keep going
B7
'Cause all we know is

[Chorus 2]
Em C D
Pressure like a drip, drip, drip that'll never stop, whoa
Em G D
Pressure that'll tip, tip, tip till you just go pop, whoa-uh-uh
Em
Give it to your sister, it doesn't hurt and
C
See if she can handle every family burden
G B
Watch as she buckles and bends but never breaks
N.C.
No mistakes, just
Em C D
Pressure like a grip, grip, grip, and it won't let go, whoa
Em G D
Pressure like a tick, tick, tick till it's ready to blow, whoa-uh-uh
Em
Give it to your sister and never wonder
C
If the same pressure would've pulled you under
G B

Who am I, if I don't have what it takes
                                        Em
No cracks, no breaks, no mistakes, no pressure
