```
Intro
Bm    A/C#   D   Em   D/F#   G

Bm          G                D
Look at the world we live today
            A/C#         Bm
Look at the hurting everywhere
             G              D
Let us bring mercy and your grace
    A             Bm
Overflow in every place
          G              D
Let us be one with You today
    A/C#           G
And let Your glory fall

D                          A/C#
We will shine, shine like stars above
        G
Shining in Your light
       D       A/C#
Guided by your love
               D
Let Your fire burn in us
        A/C#
Burning like the sun
      G                  D       A/C#
As we glorify, show Your kingdom come
           Bm
In all the earth

Bm          G                Bm
Teach us to live in righteousness
             A/C#        Bm
Teach us to love in one accord
                 G             D
Guide us to live life everyday
         A                  Bm
As we worship in Your courts
              G            D
Let us declare Your majesty
