Nothing's Gonna Stop Us Now Lyric & Chord[/caption]

By : JPCC Worship
Keys : G

Intro : G Bm Em Am C

Verse :

```
       G                                    Bm
I will sing, I will sing of Your love for me
                            Em
In my life You're my everything
                        Am
Chains are broken, my eyes are open
C                  G
You're my freedom now
                                   Bm
You have called me out from the dark
                            Em
Now I'm running into Your light
                           Am
You've changed my crying into dancing
   C              G      Bm
My lips shall praise You now
   Em    Am   C
We praise You now
```

Chorus :

```
G                    Bm

Nothing's gonna stop us now
    Am             C        G
From praising, praising, from praising You
                 Bm
Nothing's gonna stop us now
            Em
Nothing's gonna stop us now
    Am             C        G    Bm
From praising, praising, from praising You
   Em    Am  C
We praise You now
```
