Title Song : Walk On the Water Singer : Britt Nicole Key : D# Tuning : standart Capo : ? No Capo

```
Chord Walk On the Water (Britt Nicole)

Verse :
    D#
You Look Around
    D#
And Staring Back At You
        Cm
Another Wave Of Doubt
        G#
Will It Pull You Under
    G#
You Wonder

D#
What If I'm Overtaken
                      Cm
What If I Never Make It
                         G#
What If No One's There
     A#
Will You Hear My Prayer
A#       D#/G             G#
When You Take That First Step
           A#
Into The Unknown
               D#/G
You Know That He
               G#
Won't Let You Go

Chorus :
                         D#
So What Are You Waiting For?
                     A#
What Do You Have To Lose?
         Cm
Your Insecurities
                     G#
They Try To Hold To You

                                D#
```

CHORDMUSIC.INFO

```
But You Know You're Made For More
               A#
So Don't Be Afraid To Move
     Fm              Cm
Your Faith Is All It Takes
            G#
And You Can Walk On The Water, Too

Verse :
       D#
So Get Out And Let
     D#
Your Fear Fall To The Ground
           Cm
No Time To Waste, Don't Wait
    G#
And Don't You Turn Around

             D#
And Miss Out On
                           D#
Everything You Were Made For
                              Cm
Gotta Be, I Know You're Not Sure
                     G#
So You Play It Safe
                      A#
You Try To Run Away
       D#/G            G#
If You Take That First Step
           A#
Into The Unknown
D#/G             G#
He Won't Let You Go

Bridge :
Fm
  Step Out, Even When It's Storming
Cm
  Step Out, Even When You're Broken
D#                                    A#
  Step Out, Even When Your Heart Is Telling You
         A#
  Telling You To Give Up

Fm
```

CHORDMUSIC.INFO

```
  Step Out, When Your Hope Is Stolen
Cm
  Step Out, You Can't See Where You're Going
D#                      A#
  You Don't Have To Be Afraid
     G#                                              D#
  So What Are You Waiting, What Are You Waiting For?
```
