Heart Of Worship
Penulis : Michael W Smith
Song : Vania Larisa
Keys : D

Verse 1 :

```
D               A/C#
When the music fades
                 Em
All is stripped away
              A
And I simply come

D                A/C#
Longing just to bring
                      Em
Something that's of worth
                       A
That will bless Your heart
```

Pre-Chorus :

```
Em              D/F#         A
I'll bring You more than a song
For a song in itself
Em          D/F#       A
Is not what You have required
Em               D/F#      A
You search much deeper within
Through the way things appear
Em              D/F#    A
You're looking into my heart
```

Chorus :

```
D                      A
I'm coming back to the heart of worship
```

```
         Em
And it’s all about You,
     G         A      D
It’s all about You, Jesus
D                          A
I’m sorry, Lord, for the thing I’ve made it
          Em
When it’s all about You,
     G         A      D
It’s all about You, Jesus
```

Verse 2 :

King of endless worth
No one could express
How much You deserve
Though I’m weak and poor
All I have is Yours
Every single breath

Bridge :

```
D              A/C#
It’s all about You
               Em
It’s all about You
     G         A     D
It’s all about You Jesus
```
