Narrow Road

By : Hillsong Worship
Key : D

Verse 1:

```
   D
We walk on this narrow road
                D
Now restored as one we walk

In Your hope
    D
And though

Darkness fills our path
                   D
Fear won't fix its hold on us

For we know
```

Pre-chorus:

```
    G                                  D
And love will shine before us on our path
    G                                 D
And guide our every step within the dark
```

Verse 2:

```
       D
And we bear tidings of Your hope
                  D
Freedom from the sinner's plight

Through Your love
    D
Our eyes set upon this task
                  D
Truth in hand as one we walk

We advance
```

Pre-chorus 2:

```
    G                                  D
And love will shine before us on our path
    G                                 D
And guide our every step within the dark
   G
To know You is our only cry
G                             D
Knowing You our only cry, our God
```

Chorus (x2):

```
   A    Bm               G       D
So Lord here we are with humbled hearts
   A        G           D
To see Your will be done
    A    Bm               G     D
Let love shape us to Your own design
   A        G       D
To bear our Maker's sign
```

Pre-chorus 2:

```
    G                                  D
And love will shine before us on our path
    G                                 D
And guide our every step within the dark

To know You is our only cry

Knowing You our only cry
G
Knowing You our only cry
```
