F   Dm   F   Dm

[Verse 1]
    F                                Dm
I'm laying down and looking at the stars
   F                                Dm
In awe of just how beautiful You are
        F                                        Dm
And the flames of love will lead me back to You
              F               Dm
You amaze me,   You amaze me

[Chorus 1]
    F/C    C      Dm                 Bb   F
The wonder in our hearts will never die
         F/C    C      Dm                 Bb   F
It's the mira - cle of love that gets me high
        F/C       C       Dm              Bb
Oh, the greatness of Your name is still alive
               F          C           Dm          Bb   F
'Cause the wonder in our hearts will never, ever die

[Verse 2]
    F                                Dm
The years are teaching me again to fly
        F                                  Dm
And the cynic of my youth I'm letting die
         F                                 Dm
Now, I'm growing up to love You like a child
              F               Dm
You amaze me,   You amaze me
