[Intro]

F G Em F

[Verse 1]

F          G                   Em             F
Standing in your ruins feels a lot like the end
F      G                     Em            Am
So used to losing, you're afraid to try again
F          G
Right now all you see are ashes
Em              F
Where there was a flame
F            G
The truth is that you're not forgotten
Em                F
'Cause Grace knows your name

[Chorus 1]
