But why we still looking for love
```

Verse 2:

```
   D#m               C#
No love letters, no x and o's
    F#               B
No love never, my exes know
   D#m                  C#
No diamond rings, that set in stone
       F#               B
To the left, better left alone
                   D#m               C#
Didn't wanna be a princess, I'm priceless
    F#                B
A prince not even on my list
D#m                  C#
Love is a drug that I quit
    F#                          B
No doctor could help when I'm lovesick
