**Verse 1 :**

```
       G                        A     Bm
See a light break through the silent night
  G                A
Creation stands in awe
    Bm         Esus      E
For unto us a child was born
 G         A     D
Heaven's gift to us

**Verse 2 :**

```
 G                A       Bm
Hear the sound of angels sing
   G                A
Behold the word is true
Bm               Esus        E
All the earth prepare your hearts
     G       A       D
For God has come to you
```

**Chorus :**

```
 G               D
Come to meet the One
 G                            D
Heart of God, here and now for us
               Bm              Esus   E
And I have a heart unworthy, still I sing
     G     A       Bm
The beauty of Your love
          G      A      G
And the splendor of the Son

**Verse 3 :**

```
 G                    A        Bm
Lift your voice with heaven's song
    G            A
Lay every fear aside
Bm              Esus    E
He has come to set us free
      G         A         D
And bring this world to life
```

**Verse 4 :**

```
         G                     A      Bm
For the light that's shining in Your eyes
      G                   A
Will lead us through the night
    Bm               Esus     E
Let all my praise be sung to You
 G      A    D
Jesus, glorified
```

**Chorus : [ ..... ]**
