ALWAYS LOVED ME Chords

By : Iron Bell Music
Key : C
TEMPO/BPM : **SLOW / 72**

Intro :

```
Am   G   F   C
Am   C/E    F   C
```

Verse 1:

```
Am     C/E      F                 C
You're not who I thought You'd be.
    Am           C/E             F         C
Not hard to please    but full of patience.
Am     C/E        F                 C
You're not who I thought You were.
    Am           C/E             F        C
Not cold or stern     but full of kindness.
```

Chorus :

```
         Am      G        F   C
You have always,  always, always loved me
Am  C/E        F    C
Even at my weakest, I look back and see You.
Am      G        F   C
Always, always, always loved me
Am  C/E        F    C
Even at my weakest, I look back and I see You.

Break 1 :

```
  Am G     F  C                    Am  C/E    F  C
             I look back and I see You.
```

Verse 2 :

CHORDMUSIC.INFO

```
Am     C/E      F                 C
You’re not who I heard You were
    Am           C/E             F         C
Not keeping score but full of mercy.
Am     C/E      F                 C
You’re not all the lies I’ve bought
    Am           C/E             F        C
Not disappointed God, You are proud of me.
```

Chorus : [.....]

Bridge :

```
F                                          Am
moving towards me. I look back and see You fighting for me.
                          F                          Am
I look back and I see You. I look back and I see You.
                           F
I look back and see You moving towards me.
                          Am
I look back and see You fighting for me.
                        F                           Am
I look back and I see You. I look back and I see You.
```

Chorus : [.....]

Break 2 :

```
  Am G   F C                      Am C/E
            I look back and I see You.
  F C
    I look back and I see You.
  Am G   F C                      Am C/E
            I look back and I see You.
  F C
    I look back and I see You.
```
