Intro :
B   Bsus4   B   E2   E2   Emaj7
B   Bsus4   B   E2   E2   Emaj7

[Verse]
         B        Bsus4         B
Though oceans may rise over my head
         E
It can't change what You said

It can't change what You said
       B                    Bsus4     B
Though I may be found in the valley of death
         E
It can't change what You said

It can't change what You said. (No, no, no)

[Chorus]
G#m                                          F#
You are good, and everything You do is good
Emaj7             C#m9
You are kind, and everything You do is kind
G#m                                             F#
You don't fail, You haven't and You never will
Emaj7             C#m9
You are good, and everything You do is good

Verse : 2x [ ..................]

[Interlude]
G#m   E   C#m
G#m   E   C#m

[Bridge]
   G#m
No future or past, no height and no depth
    E                               C#m
Can change what You said, it can't change what You said

   G#m
My heart is convinced so I'll praise You instead
      E                              C#m
And declare what You said, I'll declare what You said

Interlude: [..............]
