```
Intro:
Em   C   G
Em   C   G

[Verse 1]
    Em                C          G
The God of creation    took our place
    Em                 C          G
The God of redemption    opened the way

[Pre-Chorus]
    Am7               G             Em7             D
The day You gave Your life seemed a failure in our eyes
        Am7               G           D
But the stone, it rolled away, as You walked out of that grave

[Chorus]
         C                G
Let this place erupt with praise
                          D                Em
Why do you look for the living among the graves?
      C                           G
Jesus lives! All the earth sing out
                             D
The power of death has been broken
                           Em   C   G
1. And this changes ev'rything [to v.2]
                           Em7
2. And this changes ev'rything [to Bridge]
                           Em   C   G   Em   C   G
3. And this changes ev'rything.    Oh [End]

[Verse 2]
    Em                C          G
The God of perfection    became sin
    Em                C            G
The God of salvation    changed everything
```

[Repeat Pre-Chorus]

[Repeat Chorus]

[Bridge}
```
Am7            Em       D
   Because You live our hope begins
Am7            Em       D
   Because You live our song will never end
Am7            Em       D
   Because You live now we can live
             C
This changes everything, this changes everything [Repeat]
```

[Repeat Chorus]
