[intro]
C  Em

C
We're on top of the world
We're on top of the world
                        Em
Now darling, sit down, let go
C
Can I call you mine
So can I call you mine
                   Em
now darling for a whole lifetime
Am                     F
My heart finally trust my mind
      F        E             C  G
And I know somehow it's right
C                   G
And oh we got time, Yeah
C                            Am              G
So darling just say you'll stay right by my side
C                   G
And oh we got love, Yeah
C                               Am                G
So darling just swear you'll stand right by my side
C
We're on top of the world
Em
We're on top of the world
                         G
Now darling, sit down, let go mmm

C
I got something to say
Em
You're perfect in every way
                 G
I'm gonna shout it out
          F
I'm wanna tell you now
         G        Em       F    G
'Cause I know somehow it's right
```

```
C                   G
And oh we got time, Yeah
C                            F                 G
So darling just swear you'll stay right by my side
C               G
Oh we got love, Yeah
C                            F                  G
So darling just swear you'll stand right by my side
C              F              G
Be my forever, Be my forever, Be my forever

C              F              G
Be my forever, Be my forever, Be my forever
C
You're my bright blue sky
F                    G
You're the sun in my eyes
C
Baby you're my lif

F                 G
You're the reason why...
C                   Em    F
We're on top of the world, We're on top of the world
                G
Now darling, so don't let go (one, two, three, four)

C                   G
And oh we got time, Yeah we got love
C                           F                G
So darling just say you'll stay right by my side
C                   G
And oh we got love, Yeah
C                                     F            G
So darling just swear you'll stand, right by my side
      C              F              G
Be my forever, Be my forever, Be my forever
      C              F              G
Be my forever, Be my forever, Be my forever
                 C
Will you love me forever?
               F                  G
I'll love you forever, Be my forever
C              F              G
Be my forever, Be my forever, Be my forever
```
