Title Song : Fall Away By : Iron Bell Music Key : A

```
[Verse 1]
  A
Every other voice is still
  E
Every heart leans in until
     Bm                        D
You Speak like only You can speak
    A
Everything we're longing for
       E
The Presence of the living God
  Bm                           D
Breathe, Like only You can breathe

[Chorus]
          A
Come and fill this room
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away
             A
If it's not what You want to do
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away

[Verse 2]
  A
Every heart is open wide
E
As Your name is lifted high
 Bm                        D
Here, God we know You're here
    A
Everything we're longing for
        E
```

```
The Presence of the living God
  Bm                          D
Breathe, like only You can breathe

[Chorus]
          A
Come and fill this room
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away
             A
If it's not what You want to do
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away

[Bridge]
    D        F#m            E
So move like only You can move
    D         F#m              E
So move cause all we want is You

[Chorus]
          A
Come and fill this room
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away
             A
If it's not what You want to do
           E
Anything apart from You
        Bm                 D
Let it fall away, Let it fall away

[Tag]
    Bm          D
Everything but You
         A                 E
Let It fall away, Let It fall away
```
