```
[Intro]
F        Am  G
You, you are my universe and
F      Am   G                C
I just want to put you first
    F        Am  G
And you, you are my universe
    F  Am  G  C
and I

[Verse 1]
F  Am        G
      In the night I lie and look up at you
F  Am          G
      When the morning comes I watch you rise
F  Am           G
      There’s a paradise they couldn’t capture
F          Am       G
      That bright infinity inside your eyes

      F            Am
maeil bam nege naraga (ga)
   G
kkumiran geotto ijeun chae
    F                  Am

G
Never ending forever baby

[Chorus]
F        Am  G
You, you are my universe and
F      Am   G                C
I just want to put you first
    F        Am  G
And you, you are my universe, and
    F                  Am        G  C
You make my world light up inside
