```
[Verse 1]
        C
I wanna be with you
            Am
And I wanna stay with you
              F
Just like the stars shining bright
               G
You’re glowing once more

                       C
Right here beside you, I’m still
                      Am
Walking wherever you go
                       F
You will live forever in me
                      Fm
Breathing deeply, within me

[Chorus]
             C
Just take it all
                          Am
I’m nothing without your love
                      F
I promise I’ll never leave your love
                                 G
My heart is beating ’cause of you
                      C
Forever and ever and ever
                      Am
Only you can take my heart
        F
Dear my love love love
        Fm
I wanna stay with you

[Interlude]
C  Am  F  Fm
