```
[Verse]
F                  C          G                      Am     F
  I'm praying God come, and turn this thing around
              Am                 Dm7
God turn it around, God turn it around
              C
God turn it around
 F                     C           G              Am       F
   I'm calling on the name, that changes everything
              Am                   Dm7
God turn it around, God turn it around
              C
God turn it around

[Chorus]
           Am              F
All of my hope Is in the name
             C  G
The name of Je-sus
                   Am                 F
Breakthrough will come, Come in the name
             C  G
The name of Je-sus

F                  C          G                      Am       F
  I'm praying God come, and turn this thing around
             Am                   Dm7
God turn it around, God turn it around
              C
God turn it around
 F                     C           G              Am         F
   I'm calling on the name, that changes everything
              Am                   Dm7
God turn it around, God turn it around
              C
God turn it around

[Chorus]
           Am              F
All of my hope Is in the name
             C  G

```
The name of Je-sus
                  Am                F
Breakthrough will come, Come in the name
            C  G
The name of Je-sus
             Am                 F
God turn it around, God turn it around
             Dm7     C
God turn it around

[Outro]
C                      C
He is up to something, He is up to something
C                      C
God is doing something, Right now
C                      C
He is healing someone, He is saving someone
C/E                    C
God is doing something, Right now
C                      C/E
He is moving mountains, making a way for someone
Csus4/F                 C
God is doing something, Right now
```
