[Intro]
Em7 Cadd9 G

[Verse 1]
Em7                     Cadd9             G
There’s a grace when the heart is under fire
Em7                    Cadd9            G
Another way when the walls are closing in
Em7                     Cadd9
And when I look at the space between
G
Where I use to be and this reckoning
Em7           Cadd9     G
I know I will never be alone

[Chorus 1]
                          Em7
There was another in the fire
Cadd9            G
Standing next to me
                          Em7
There was another in the waters
Cadd9             G
Holding back the seas
                          Em7
And should I ever need reminding
Cadd9                   G
Of how I've been set free
                                  Em7
There is a cross that bears the burden
       Cadd9           G
Where another died for me

[Verse 2]
Em7 Cadd9 G
All my debt left for dead beneath the waters
Em7 Cadd9 G
I’m no longer a slave to my sin anymore
Em7 Cadd9
And should I fall in the space between
G
What remains of me and this reckoning
Em7 Cadd9 G
Either way I won’t bow to the things of this world
Em7 Cadd9 G
And I know I will never be alone

[Chorus 2]
Em7
There is another in the fire
Cadd9 G
Standing next to me
Em7
There is another in the waters
Cadd9 G
Holding back the seas
Em7
And should I ever need reminding
Cadd9 G
What power set me free
Em7
There is a grave that holds no body
Cadd9 G
And now that power lives in me

I can see the light in the darkness
          G   Dsus
As the darkness bows to him
               Em7   Cadd9
I can hear the roar in the heavens
         G   Dsus
As the space between wears thin
                Em7   Cadd9
I can feel the ground shake beneath us
         G   Dsus
As the prison walls cave in
                Cadd9
Nothing stands between us
                Cadd9
Nothing stands between us

[Verse 3]
Em7   Cadd9
There is no other name
                        G
But the name that is Jesus
Em7   Cadd9
He who was and still is
                         G
And will be through it all
Em7   Cadd9
So come what may in the space between
         G
All the things unseen

And this reckoning
Em7   Cadd9   G
I know I will never be alone
Em7   Cadd9   G
I know I will never be alone

[Chorus 3]
                            Em7
There'll be another in the fire
