Yes, He is my everything

(OH)

He walks with me  
He talks with me  
And He tells me I am His own  
And the joy we share  
What else compares  
It's like nothing I've ever known

(Yes, I am)  
And the joy we share  
What else compares  
It's like nothing I've ever known

I can't believe it  
I can't believe it
