## **Growing Pains - Jonathan McReynolds - Lyric**

Why do I Fear what I cannot control in my life  
Why do I Forget that the fire is how I'm refined  
I try and I try To keep pressing on with hopes high  
But sometimes I fall God through it all I know  
You'll be by my side  
There's no guarantee in this life  
Yeah trouble's a matter of time  
But You're in control  
And that's how I know  
Everything gon' be okay  
It won't always be this way  
At my worst  
When it hurts  
Won't be afraid  
Sometimes faith has growing pains  
You're the light  
Leading me on through the depth of  
the night  
You're the prize  
Waiting for me at the end of this life  
Everything gon' be okay  
It won't always  
be this way  
At my worst  
When it hurts  
Won't be afraid  
Sometimes faith has growing pains  
Everything  
gon' be okay  
This will all make sense one day  
At my worst  
When it hurts  
Won't be afraid  
Sometimes
