Cadd9 G Em7 C Cm7
Forever we'll lift up your name

G Em7 C Cm7

5. (repeat verse chords)

The universe on its knees
See the stars in surrender
God above kings and queens
Every idol will bend and break
But our God You will never fail
Forever and ever

C2. (repeat chorus chords)

We will hold, we will love,
We will fall in surrender
We will rise, we will run,
We will live to declare your name,
Forever to bring you praise,
Jesus, Jesus

We will hold, we will love,
We will fall in surrender
We will rise, we will run,
We will live to declare your name,
Forever to bring you praise,
Forever we'll lift up your name
