

## Confident

Verse 1:

F#m                    D                    E  
You're always moving in the unseen  
F#m                    D                    E  
The breath You exhale sustaining me  
F#m                    D                    E  
Before I call, You know my need  
F#m                    D                    E  
You're always going before me

Chorus:

                  D                                    A                                    E  
I'm confident Your faithfulness will see me through  
                  D                                    A                                    E  
My soul can rest, my righteousness is found in You  
                  D                                    F#m                                    E  
With every moment left, in every borrowed breath, let this be true  
                  Bm7                                    A/C#                                    E  
That all my heart, for all my life, belongs to You

Verse 2 :

F#m                    D                    E  
Your laughter scatters my enemies  
F#m                    D                    E  
You give me joy for my mourning  
F#m                    D                    E  
You lift my head so I can see  
F#m                    D                    E  
All of heaven surrounding me

Chorus :

                  D                                    A                                    E  
I'm confident Your faithfulness will see me through  
                  D                                    A                                    E  
My soul can rest, my righteousness is found in You  
                  D                                    F#m                                    E  
With every moment left, in every borrowed breath, let this be true
