Nobody Loves Me Like You Chords

```
By : Chris Tomlin
Key: G
Intro: 2x
G C/E D
Verse 1:
G
              C/E
Morning, I see You in the sunrise every morning
       C/E
                       D
                                                  D
It's like a picture that You've painted for me
                          G
                                C/E
A love letter in the sky
Verse 2:
              C/E
Story, I could've had a really different story
        C/E
                           D
But You came down from heaven to restore me
                       G
                             C/E
Forever saved my life

Chorus:
G
                                   C/E
                                               D
Nobody loves me like You love me, Jesus
                                             D
 I stand in awe of Your amazing ways
                                C/E
 I worship You as long as I am breathing
 God, You are faithful and true
D
                                  G
                                       C/E D

Verse 3:
G
                        C/E
                                                      D/F#
          G
Mountains, You're breaking down the weight of all my mountains
                  D/F#
Even when it feels like I'm surrounded
                                            D/F#
You never leave my side, oh-ooh-oh-ooooh
Chorus:
                                          C/E
                                                   D
Nobody loves me like You love me, Jesus
                                       C/E
                                              D
 I stand in awe of Your amazing ways
                                      C/E
 I worship You as long as I am breathing
 God, You are faithful and true
Nobody loves me like You
Instrumental:
