

chords Well Done by The Afters

[By : The Afters](#) [Key : A](#)

Intro:

A

[Verse 1]

What will it be like when my pain is gone
And all the worries of this world just fade away?
What will it be like when You call my name
And that moment when I see You face to face?

[Pre-Chorus 1]

I'm waiting my whole life to hear You say

[Chorus]

Well done, well done
My good and faithful one
Welcome to the place where you belong
Well done, well done
My beloved child
You have run the race and now you're home
Welcome to the place where you belong

[Verse 2]

What will it be like when tears are washed away
And every broken thing will finally be made whole?
