Am F C Em7

[Verse 1]

Am  
I've been running through rain  
F C Em7  
That I thought would never end  
Am  
Trying to make it on faith  
F C Em7  
In a struggle against the wind  
Am F C Em7  
I've seen the dark and the broken places  
Am  
But I know in my soul  
F C Em7  
No matter how bad it gets  
F  
I'll be alright

[Chorus]

Am F  
There's hope in front of me  
C G  
There's a light, I still see it  
Am F  
There's a hand still holding me  
C Em7  
Even when I don't believe it  
Am F  
I might be down but I'm not dead  
C G  
There's better days still up ahead  
Am F  
Even after all I've seen

Up ahead, there's a big sun shining
