[Verse 1]

                  C  
I wanna be with you  
                  Am  
And I wanna stay with you  
                  F  
Just like the stars shining bright  
                  G  
You're glowing once more

                                  C  
Right here beside you, I'm still  
                                  Am  
Walking wherever you go  
                                  F  
You will live forever in me  
                                  Fm  
Breathing deeply, within me

[Chorus]

                  C  
Just take it all  
                                  Am  
I'm nothing without your love  
                                  F  
I promise I'll never leave your love  
                                  G  
My heart is beating 'cause of you  
                                  C  
Forever and ever and ever  
                                  Am  
Only you can take my heart  
                  F  
Dear my love love love  
                  Fm  
I wanna stay with you

[Interlude]
