[Intro]

F# G#m7 D#m B

[Verse 1]

Look what you've done  
How could you fall so far?  
You should be ashamed of yourself  
So I was ashamed of myself

[Verse 2]

The lies I believed  
They got some roots that run deep  
I let 'em take a hold of my life  
I let 'em take control of my life

[Pre-Chorus]

Standing in Your presence, Lord  
I can feel You diggin' all the roots up  
I feel Ya healin' all my wounds up  
All I can say is hallelujah

[Chorus]

Look what You've done, look what You've done in me

On the cross, in a grave  
With a stone, rolled away  
All my debt, it was paid  
Look what You've done  
In my heart, in my mind  
In my soul, in my life  
With my hands lifted high, I'm singing

[Chorus]

Look what You've done, look what You've done in me  
You spoke Your truth into the lies I let my heart believe  
Look at me now, look how You mad? me new  
The ?nemy did everything that he could do  
Oh, but look what You've done

[Outro]

On the cross, in a grave  
With a stone, rolled away  
All my debt, it was paid  
Look what You've done  
In my heart, in my mind  
In my soul, in my life
