```
Intro:
D
                G
                          Α
(Lalala ya lalala yayayayayaya)
D
                G
                          Α
(Lalala ya lalala yayayayayaya)
D
                G
                          Α
(Lalala ya lalala yayayayayaya)
D
                G
                          Α
(Lalala ya lalala yayayayayay)
D
              G
                      А
                                 D
 (Co-conut cococococonut " coconut)
             G
                                D
                      Α
(Co-conut cococococonut " coconut)
             G
                     Α
                                D
(Co-conut cococococonut " coconut)
             G
                      Α
                                D
(Co-conut cococococonut " coconut)
Verse 1:
     D
                       G
The coconut nut is a giant nut
        Α
                                  D
If you eat too much, you'll get very fat (very fat)
          D
                            G
Now, the coconut nut is a big, big nut
            Α
                            G
                                  D
But this delicious nut is not a nut
Chorus:
          Δ
                                D
It's the coco fruit (it's the coco fruit)
        Α
                           D
Of the coco tree (of the coco tree)
                     G
                         D
          Α
From the coco palm family (yayayayaya)
Verse 2:
           D
                                G
There are so many uses of the coconut tree
         Α
                                       D
You can build a bigger house for the family
         D
                            G
```
