       Dm
Say this morning
         Bb
I woke up and I

Looked in the mirror
    F
And every part of
  C
My body was in place
           Dm
Many people died
      Bb
And never saw this day
          F
So another day
     C
I live I appreciate

          Gm
Don't ever wanna act, too
      Bb
High and mighty

'Cause tomorrow
     F         C
I can fall down on my face
           Bb
So in everything Lord

I give You praise
         F
And that puts
   C
A smile on my face

               Gm
```
