VERSE 1
Α
                        F#m
                                                  C#m
I keep finding myself fighting to avoid the mirror,
the mirror
Α
                                            F#m
I could use some help 'cause I don't like what I
see here, see here
PC
Α
Do I measure up
F#m
Am I good enough
C#m
What if I fail
What if I can't do it well
Will they walk away
F#m
Will You walk away
C#m
Do You think I'm worth it still
CHORUS
                                F#m
  Α
But when all I see are the flaws
            C#m
You see perfection
       В
Perfection
                                         F#m
Looking through this mess of a heart
You see perfection
       В
```
