Title Song : Praise Opens Prison Doors Singer : CAIN Key : B

[INTRO]

F

[VERSE 1]

God, if praise opens prison doors
We'll sing from sunset to sunrise
And if worship makes these walls come down
We'll sing from morning to midnight
Yes, we'll sing from morning to midnight

[CHORUS]

Sing all day sing all night
Our hearts lifted up, arms are open wide
God, we know what You can do
When we lift up our voices and worship You
