[INTRO]
C

[VERSE 1]
C             F        G                       Am
  Even in the darkness,  we are not without a light
C                       F
  Always looking on Your people
         G              F            G
Not for a moment have we escaped Your sight
     C/E                    F
More faithful to us than the morning sun
   C/G                      G
We know where our help comes from

[CHORUS]
C                        Am
God of love let Your face shine on us
        G                  F
Father above, light of the world
              C
Your goodness fills the skies
                    Am
We see the kindness in Your eyes
        G                  F
Father above, light of the world
              C
Come shine on us

[VERSE 2]
C                 F       G                     Am
  In summer or in shadows,  You see us just as bright
C                      F
  You bless us and You keep us
           G                     F/A
We are Your people,  We wear Your name with pride
   C/E                   F
We lift up our voices and raise our hands
   C/G               G
We stand in Your radiance
```

```
[CHORUS]

[TURN]
C           Am            G
   Oh Oh Oh     Father of love
              F                     C
Light of the world, come shine on us

[BRIDGE]
C                           Am
  ‘Cause nothing is better,   in this moment we’re in
G                               F
   Just to be in Your presence,   feel the warmth on our skin
C                           Am
  ‘Cause nothing is better,   in this moment we’re in
G                               F
   Just to be in Your presence,   feel the warmth on our skin
G
   It’s sweeter, it’s greater, it’s perfect
F
   We open our hearts and we worship

[CHORUS]

[OUTRO]
C         Am
  Oh oh oh
          G
Father of love
              F                     C
Light of the world, come shine on us

Shine On Us - CAIN - Lyric

Even in the darkness, we are not without a light Always looking on Your people Not for a moment have we escaped Your sight More faithful to us than the morning sun We know where our help comes from God of love let Your face shine on us Father above, light of the world Your goodness fills the skies We see the kindness in Your eyes Father above, light of the world Come shine on us In summer or in shadows, You see us just as bright You bless us and You keep us We are Your people, We wear Your name with pride We lift up our voices and raise our hands We stand in Your radiance Oh Oh Oh Father of love Light of the world, come shine on us ‘Cause nothing is better, in this moment we’re in Just to be in Your presence, feel the warmth on our skin ‘Cause nothing is better, in this moment we’re in Just to be in Your presence, feel the warmth on our skin It’s sweeter, it’s greater, it’s perfect We open our hearts and we worship Oh oh oh Father of love Light of the world, come shine on us
