C                                      Csus    C
Remember those walls that we called sin and shame?
Am
They were like prisons that we couldn't escape.
   G                          F
But He came, and He died, and He rose.
                          C Csus C
Those walls are rubble now
C                                   Csus      C
Remember those giants we called death and grave?
Am
They were like mountains that stood in our way.
   G                          F
But He came, and He died, and He rose.
                       C Csus C
Those giants are dead now
