VERSE 3
I choose to believe I'm held in your hand
You know me and love me just as I am
Whatever lies before me
I trust in you
CHORUS
BRIDGE
 There's not a mountain that you can't move
  There's not a valley you won't lead me through
 You take the broken things
 And make them better than new
 There's not a miracle that you can't do
 With hands to heaven I worship you
 You take the broken things
                       D
 And make them better than new
