VERSE 1
    Α
In my heart there is a song that's hard to sing
  Asus
Because it scares me just to think of what it means
I want to know you Jesus in your suffering
Take me deeper
VERSE 2
  Α
When I see my Savior there upon the cross
Whatever I have gained I count it all as loss
How I want to know the fulness of my God
Take me deeper
CHORUS
    D
                Bm
I lift my hand in surrender
          Asus
Take me deeper
                    Bm
Oh Your love is like a river
 Α
        Asus
               Α
Take me deeper
                                Bm
If to know the power of your resurrection
               E/G#
Means laying down my life that's what I'll do
          A/C#
To follow you
