I'll take tonight and die on this hill
   Db
I always will

  I know that I look stubborn and patient
Ab                      Fm
  But you wrote the book, I just took a page out
Bbm7                            Db/Eb
  To be loved, to be loved and nothing more
Ab                      Fm
  And you kept your word, do you want a medal?
Ab                    Cm
  The way that someone leaves this
Fm
World is all just levels
