Title Song : Atmosphere Singer : Giving My Best Key : D Tuning : standart Capo : ? No Capo

Chord Atmosphere (Giving My Best)

```
Verse :
Bm                  G
Love, Come And Take Over Now
              Em           A/C#
Come And Just Heal Somehow
             D           Dsus4  D
The Broken And The Lost

Bm                   G
Light, Come And Take Over Now
              Em               A/C#
Come And Just Shine So Bright
                      D          Dsus4  D
Chase The Shadows Of Our Lives

Prechorus :
         G            D/F#
Let Your Mercy Flow Within Us
      Em      A        D
As We Stand Before The Lamb
         G            D/F#
Let Your Mercy Flow Within Us
         Em              A
As We're Standing In The Gab

Chorus :
                     D
You Are The Lord Of Heavens
           A/C#     Bm
And God Of All The Earth
    G                   D
And You Are The King Of Nations
        A/C#            Em
And You Breathed The Universe
      A            D         F#m     Bm            A
So We Lift Our Generation In Hunger And In Thirst
      G
As We Humbly Bow
     Em       A             D
Your Presence Changes The Atmosphere
```
