```
C
Through You,

                       G
I can do anything,

                           Am
I can do all things,

                                F
For it's You who give me strength,
Nothing is impossible

C
Through You,

                       G
Blind eyes are opened,

                             Am
Strongholds are broken,

                         F
I am living by faith,
Nothing is impossible!
