Verse I

```
  B
Behold the Father's heart
      E
The mystery He lavishes on us
   G#m               B
As deep cries out to deep
                      E
Oh how desperately He wants us

    G#m                         B
The things of earth stand next to Him
                          E
Like a candle to the sun
          G#m
Unfailing Father
        F#                  E
What compares to His great love
```

Verse II

```
B
Behold His holy Son
    E
The Lion and the Lamb given to us
    G#m              B
The Word became a man
                                  E
That my soul should know its Saviour

    G#m                           B
Forsaken for the sake of all mankind
                     E
Salvation is in His blood
           G#m
Jesus Messiah
       F#              E
The righteous died for love
```

Pre-Chorus I

```
           G#m
It wasn't over
       F#           E
For He is the risen One
```

[Chorus 1]

```
              B
Then sings my soul
              G#m
Then sings my soul

               F#
How great Your love is
               E
How great Your love is

              B
Then sings my soul
              G#m
Then sings my soul

               F#
```

```
How great Your love is
                E
How great Your love is

               B
Then sings my soul
```

Verse II :

Chorus II :

Outro :

```
               B       F#
Then sings my soul my God
       E             B
He who was and is to come

             G#m
Prepare the way
          B                F#
Until the work on earth is done

              E
Watch as the clouds
                F#
He rides swing low

             G#m
Lift up the sound
                               E
As He makes our praise His throne

            E        F#
Behold the Lord our God
              B
Will lead us home
```
