```
G#  C# D#
G#  C# D#
```

```
G#                                C# D#
i know that the bar closes at eleven..
G#                             C#  D#
i hope you never finish that beer..
G#
you know all the words to
              C#
"just like heaven.."
    D#            G#
and i know why he wrote them
         G#                    C#  D#
now that you're standin' right here..
```

[Reff :]

```
      G#
 oh.. one night i was bored in bed
     C#                 D#
 and stalked you on the internet
      G#
 it's feminine intuition
         C#
 cause i always had a vision
        D#
 of us standing like this
     G#
 all pressed up in the bathroom line
     C#
 you looking like an angel
        D#
 on the walls of versailles
     G#
 the most alive i've ever been
     C#            D#
 but kiss me and i might drop dead..
```

[Int.]

G# C# D#

G#
 and i feel lik? i might throw up
G#
 left hook, right punch to the gut
C#
 you're so, so pr?tty, boy
    D#
i'm paranoid i made you up
G#
 yeah, i'd love it if you walked me home
G#
 if you promised, we can go real slow
C#
 cause i got chewing gum
      D#
and a bunch of stuff i'd like to know
    G#
like, have you ever been to japan?
   G#
or taken that eurostar to france?
C#
 i've been droppin' hints all night
         D#
that i'd love it if you held my hand, goddamn
G#
 and then maybe we could make-makeout
G#
 clothes off and fall to the ground
C#
let's go steady, let's go out
    D#
and tell the whole damn world how

[Reff :]

 G#
 one night i was bored in bed
     C#   D#
 and stalked you on the internet
      G#
 it's feminine intuition
