

Swim - BTS - Chords & Lyrics

Title Song : Swim Singer : BTS (?????) Key : C Tuning : standart Capo : ? Fret 2

Chord Swim (BTS (?????))

Chorus

C

Swim, swim

Water falling off your skin

Bm

Swim, swim

I could spend a lifetime watching you

C

Swim, swim

This is how it all begins

Bm

Swim, swim

I just wanna dive, I just wanna dive

[Verse 1]

C

Bad world, gone away and I still wake up in this mad world

Name a place that I could breathe on this map, world

like a goody, goody in this bad world, bad world

Don't know how to act, girl

I'm in the deep, tell me where the hell you at, girl?

Oh, you ain't even gotta love me bad, girl

You know that I'm never holdin' back, girl

Yeah

CHORDMUSIC.INFO

[Pre-chorus]

C
So easy, don't make it so hard

Nights like these, I just wanna get lost
Bm
Right here with the moon and the sharks

I ain't gotta think 'bout a thing, baby, I just

[Chorus]

C
Swim, swim

Water falling off your skin

Bm
Swim, swim

I could spend a lifetime watching you

C
Swim, swim

This is how it all begins

Bm
Swim, swim

I just wanna dive, I just wanna dive

[Verse 2]

C
Water, water so deep, water so deep

Take it off the ground, I ain't never gettin' cold feet
Bm

Yeah, you know me, yeah, you know me

Sittin' on the shore, now I'm ready for the whole sea

C
I can feel the high waves comin'

Why you run away? You can run in

CHORDMUSIC.INFO

Bm

Salt on my tongue, she's stunnin'

You're the only place that I wanna be, yeah

[Chorus]

C

Swim, swim

Water falling off your skin

Bm

Swim, swim

I could spend a lifetime watching you

C

Swim, swim

This is how it all begins

Bm

Swim, swim

I just wanna dive, I just wanna dive

[Bridge]

C

Splash, drift

I make waves with my two fins

Bm

Splash, drip

I just wanna take it across the line

C

Under here, we don't chase the time

Bm

Baby, everything can't be so sad

Turn my face from the land

I just wanna dive, I just wanna dive

[Chorus]

Am
