Chord Champion - BLACKPINK (????) - Lyrics

Intro

F F# A#m

F F# G#

Verse 1

F
Ain’t quitting, I trust my intuition
F#          A#m
Time ticking, but they don’t see the vision
F
I ain’t giving up, no, I ain’t willing
F#          G#
I be winning like it’s an addiction
Pre-chorus

F
Head high, run into the sky
 F#      A#m
I live in the clouds
F
No lie, look into my eyes
    F#      G#
You can’t take me out
Chorus

F                       C
If I ever, ever fall down one time
              Dm
I’ma keep going on
    A#            C#6
’cause I know I’m a champion
    F                           C
And if I take a, take a L, I’ll still fight
                          Dm
‘Til the bitter end, I’m strong
    A#            C#6
’cause I know I’m a champion

Verse 2

```
F
Pull up, four in a sprinter
F#          A#m
We eat losers for dinner
F
Hit hard, hard like a heart attack
F#          G#
Same team, girl, yeah, I got your back
F
Head high, run into the sky
        F#
I live in the clouds
A#m
(And I’m looking over you)
F
No lie, look into my eyes
    F#
You can’t take me out
G#
(Even if you wanted to)
```

Chorus

```
F                       C
If I ever, ever fall down one time
              Dm
I’ma keep going on
    A#            C#6
’cause I know I’m a champion
    F                           C
And if I take a, take a L, I’ll still fight
    Dm
‘Til the bitter end, I’m strong
    A#            C#6
’cause I know I’m a champion
```

Bridge

```
