Chord Standing Next to You - Jungkook (??) of BTS (?????) - Lyrics

Intro

Dm A#
Standing next to you

Verse 1

Dm
Play me slow

A#
Push up on this funk and give me miracles

Dm
Make it known

A#
How we left and right is something we control
Pre-chorus

Dm
You know that all night long, we rock to this

Screaming, I testify this lovin'

A#
All night long, we flock to this

Screaming, I testify that

Dm
We'll survive the test of time

They can't deny our love

A#
They can't divide us

we'll survive the test of time

I promise I'll be right here

Chorus

Dm C
Standing next to you

Bdim A#

Standing in the fire

Gm Am A7 Dm

next to you, oh

G#

You know it's deeper than the rain

It's deeper than the pain

G

When it's deep like DNA

Something they can't take away, aye

Take-take-take-take-take off, take off

Post-chorus

Dm A#

Standing next to you

Dm

Standing next to you

A#

Standing next to you

Verse 2

Dm

Afterglow

A#

Leave ya body golden like the sun and the moon

Pre-chorus

Dm

You know that all night long, we rock to this

Screaming, I testify this lovin'

A#

All night long, we flock to this

Screaming, I testify that

Dm

We'll survive the test of time

They can't deny our love

A#

They can't divide us

we'll survive the test of time
