So sweet, so easy on the eyes

whole life spreadin' lies

but you can't hide, baby, nice try
Am Em
I'm 'bout to switch up these vibes
F E7
I finally opened my eyes
Am Em F E7
It's time to kick you straight back into the night
Am Em F E7
'Cause I see your real face and it's ugly as sin
Am Em
Time to put you in your place
F E7
'cause you're rotten within
Am Em
When your patterns start to show
F E7 Am Em F
It makes the hatred wanna grow outta my veins

I don't think you're ready for the takedown

A demon with no feelings don't deserve to live
it's so obvious
[Chorus]

I'ma gear up and take you down
Whoa-oh, da-da-da, down (it's a takedown)
