Chord What It Sounds Like - HUNTR/X (????) - K-Pop Demon Hunters (??? ?? ???) OST - Lyrics

Verse 1

Nothing but the truth now

Nothing but the proof of what I am

The worst of what I came from, patterns I'm ashamed of

Things that even I don't understand

F G
I tried to fix it, I tried to fight it

Em Am
My head was twisted, my heart divided

F
My lies all collided

G Em Am
I don't know why I didn't trust you to be on my side
Chorus

F
I broke into a million pieces, and I can't go back

Am
But now I'm seeing all the beauty in the broken glass

G
The scars are part of me, darkness and harmony
Em
My voice without the lies, this is what it sounds like

F Am
Why did I cover up the colors stuck inside my head?
G
I should've let the jagged edges meet the light instead

F Am
Show me what's underneath, I'll find your harmony

Verse 2

Am
We're shattering the silence, we're rising defiant

Am
Shouting in the quiet, you're not alone
Am
We listened to the demons, we let them get between us

Am
But none of us are out here on our own
F G
So, we were cowards, so, we were liars
Em Am
So, we're not heroes, we're still survivors
F G
The dreamers, the fighters, no lying, I'm tired
E7 F G
But dive in the fire and I'll be right here by your side
Chorus

F Am
We broke into a million pieces, and we can't go back
