Verse :
Here in this precious love
The place where my heart belongs
I'm never letting go
I'm leaning in

Pre-Chorus :
For You are with me
You are with me here

Chorus :
I open my heart and I let You in
Pour out Your love, come and move again
I'm reaching out for a touch from You
Cause Jesus, You can change me
And make me new..

I open my heart and I let You in
Pour out Your love, come and move again
I'm reaching out for a touch from You
Cause Jesus, You can change me
And make me new today, yeah
Oh, it's a brand new day

I'm drawing closer
I'm drawing closer
You're taking me deeper
Than ever before

So I will reach out
And I will worship

You're taking me deeper
Than ever before

I'm drawing closer
I'm drawing closer
You're taking me deeper
Than ever before

So I will reach out
And I will worship
You're taking me deeper
Than ever before

I open my heart and I let You in
Pour out Your love, come and move again
I'm reaching out for a touch from You
Cause Jesus, You can change me
And make me new..

I'm drawing closer
I'm drawing closer
You're taking me deeper
Than ever before

So I will reach out
And I will worship
You're taking me deeper
Than ever before
