chords Freedom Is Here

By : Hillsong United Keys : C

```
Intro :
C   G   D   Am7

Verse 1 :

C                  G
The future comes alive
                                 D
You speak your word and I
                           Am7
Am running into Your hope

C                            G
Cause I have seen Your light
                            D
You bring my world to life
                            Am7
I’m coming after Your love

Pre-Chorus :

C               G                   D  Am7
I’m not shaking, I’m not letting go

[Chorus]

                    C
Everything comes alive
           G                          D Am7
In my life as we lift You higher
                    C
Let Your freedom arise
            G             D
In our lives as we lift You up
                    Am7
Sing it out, sing it out

                  C     G        D     Am7
Your freedom is here

Verse 2 :

C                     G                       D
You take the limits off, no matter what the cost
                             Am7
I’m running after Your call
C                   G                      D
And I will run this race to see You face to face
                             Am7
So let Your pow’r overflow

Chorus :

                     C
Everything comes alive
           G                           D Am7
In my life as we lift You higher
                     C
Let Your freedom arise
            G             D
In our lives as we lift You up
                    Am7
Sing it out, sing it out
