By : Jenn Johnson
Key : D

Verse 1:

```
                              F#m              D  A

I know it’s all you’ve got to  just be strong
                           F#m                D  A
And it’s a fight just to  keep it together
                                    F#m       D  A
I know you think that you are too  far gone
                  F#m      D
But hope is never  lost
              A
Hope is never lost
```

Pre-Chorus

```
Bm       A          E
 Hold on, don’t let go

 Hold on, don’t let go
```

Chorus:

```
         D        E     F#m
Just take one step closer
                 A
Put one foot in front of the other
D        E             F#m
You’ll get through this
                 A           E/C#       D
Just follow the light in the  darkness
E
You’re gonna be ok
```
